CONSIDER TALKING TO PEOPLE AND ORGANIZATIONS THAT CAN HELP YOU

If your doctor has prescribed STELARA® for you, and you have learned that your health insurance plan will not help pay for your treatment with STELARA®, know that you can challenge that decision. You do not have to go through this process alone. Your healthcare team may be able to help you.

Below are some questions you can consider asking to help you get started.

ASK QUESTIONS

Ask your doctor:

- Am I being prescribed a different medication?

- *If you are being asked to switch to a biosimilar:* What is a biosimilar?

- Can you explain the risks and benefits of the different medication I am being prescribed?

- How can I continue my treatment with STELARA®?

- Can you help me challenge my health insurance plan's coverage decision?

ASK QUESTIONS (cont'd)

Ask your pharmacist:

- Why am I not receiving STELARA® (ustekinumab), the medication my doctor prescribed?

- What are the side effects of the new medication I am receiving?

- Is there any patient support available?

Ask your health insurance representative:

- Why is my treatment with STELARA® not covered?

- Why has my health insurance coverage for STELARA® changed?

- What is the process for challenging this coverage decision?

- What steps do I need to take to get STELARA®?

Talk to your healthcare team about next steps for getting STELARA® or visit stelara.info for additional information about resources and support that may be available to you.
